## Remember Parents:

**Your child will have outdoor recess unless the wind chill is below zero. Please dress them accordingly.**

## Have A Heart!

Dorr Elementary in partnership with the American Heart Association will be participating in Jump Rope/Hoops For Heart. Students in 2nd and 3rd grade will jump rope for the cause, learning the importance of heart health, while 4th graders will be shooting hoops. Permission slips and donation envelopes were sent home and must be returned by February 15th. Students must have a signed permission slip to participate.

Did you know that cardiovascular disease is the underlying cause of 1 in every 3 deaths in the United States?

Please help our students raise money for the American Heart Association and talk to your child about the importance of heart health.

Online Donations can be made at www.heart.org/jump
